WT Docket No. 05-7

Dear Madame Secretary:

Harry J. Pappas, Chairman & CEO of Pappas Telecasting Companies and Pappas Southern California License LLC ("PSCL") and Peter Pappas, Executive Vice President and of Pappas Telecasting Companies, license of KAZA-TV, Channel 54, Los Angeles, met on October 19, 2005 with Donna Gregg, Barbara Kreisman, Clay Pendarvis, Marybeth Murphy, and Keith Larson of the Media Bureau regarding the above-referenced docket. In addition to reviewing the matters that are addressed in PSCL's Comments in the proceeding (filed March 10, 2005) and PSCL's Reply Comments in the proceeding (filed March 25, 2005), there were discussed matters pertaining to the requirements of the Administrative Procedures Act and related concerns, as well as equitable arguments relative to the Commission's policies against allowing parties, such as QUALCOMM, Incorporated, to reap additional economic benefits from the use of spectrum for which they successfully bid at auction, based upon subsequent changes in circumstances of their own making.

Kindly direct any questions regarding this matter to the undersigned.

Very truly yours,

Peter C. Pappas
